

Anna Ribenfors

Title: Counsel

Office: Stockholm

Mobile: +46 760 000 002

E-mail: anna.ribenfors@hannessnellman.com

Languages: English, Swedish

Anna specialises in the law related to IT & Technology and Intellectual Property with a particular focus on complex IT and services agreements. She regularly advises clients on a wide variety of arrangements, including outsourcing, cloud services, the creation and licensing of rights in software and procurement of technology and related services. Her practice includes drafting, interpreting, negotiating and disputing commercial agreements. In addition, Anna advises in M&A transactions relating to the technology sector.

In her practice, she has obtained vast experience of matters related to new technologies such as e-health, open source, IoT and e-commerce. She also has considerable experience of providing advice to financial institutions and government agencies on procurement of technology and related services.
